

Vincenzo Di Marzo, PhD

Prof. Dr. Vincenzo Di Marzo holds the Canada Excellence Research Chair on the Microbiome-Endocannabinoidome Axis in Metabolic Health (CERC-MEND) at Université Laval in Quebec, Canada and Associate Research Director at the Institute of Biomolecular Chemistry of the National Research Council ([ICB-CNR](#)) in Naples, Italy. He is also the coordinator of the Endocannabinoid Research Group in the Naples region, and the director of the Joint International Research Unit between the Italian National Research Council and Université Laval, for Chemical and Biomolecular Research on the Microbiome and its impact on Metabolic Health and Nutrition ([UMI-MicroMeNu](#)). He holds a master's degree in chemistry from the University of Naples "Federico II" in 1983, and a PhD in biochemistry from Imperial College of Science, Technology and Medicine in London in 1988. He is co-author of over 760 articles published in peer-reviewed journals (H index 131 according to Scopus). In 2014-2022 he has been listed for 9 consecutive years among the [Highly Cited Researchers](#) (top 1% in the world) in all scientific disciplines.
